Church Production Needs

Video Mix Board

This will allow us to mix up to 4 different channels of video onto the display screens with professional quality, enhancing transitions between video clips and other elements in the auditorium.

Edirol V4 Video Mixer
\$1000

Sony Camcorder

This camera will help us create professional quality videos for all of our events and services. Additionally, this will help us take a greater leap into digital video on our website.

A plethora of accessories and options makes this Sony 3-chip camera easy to work with in virtually any shooting scenario.

Sony DSR-PD170 3-CCD
Mini DVCAM Camcorder
\$2899

Reverb and Effects Processor

The M350's reverbs include: classic TC hall, cathedral, ambience, room as well as plates and springs, and the comprehensive effects section includes a number of essential compression, modulation, and delay variations.

TC Electronic M350 Reverb and Effects Processor
\$199

4-Way Crossover

This sends the low-end audio to the subwoofer. 4-Way Crossover lets you choose 2-way, 3-way, or mono 4-way operation via 2 back-panel switches. Each channel has an input gain

dbx 234 Stereo 2/3 Way Mono 4-Way Crossover
\$199

control ranging from 0 to +6dB, phase reverse switch, and 40Hz low cut filter.

Drum Shield

This allows us to control the sound levels of live drums better. 5 Plexiglas panels, each 5' tall by 2' wide are joined by sturdy continuous plastic hinges, set up and tear down easily for enhanced mic isolation.

Drum One Shield Two Drum Shield
\$299

Drum Microphones

The Drum Mic Package includes one PG52 kick drum mic, 3 PG56 snare/tom mics, 2 PG81 instrument mics, and a carrying case. PG microphones are developed with distinct characteristics and performance-based applications in mind.

Shure PG 6-Piece Drum Microphone Package
\$400

Various Needs

Invitable Sunday's

Invitable Sundays

We will be creating an unforgettable invitable Sunday morning experience once per month. We need financial assistance to purchase giveaways, create object illustrations, and hire in band members.

Invitable Sundays

\$250 per Sunday (up to eight for 2008)

KidsTown Curriculum

We're looking to upgrade our current curriculum package to the best children's curriculum available from 252 Basics. This new curriculum will provide kids programming for UpTown, DownTown, and MainStreet.

\$550

Church Management Software

This web-based, ultra secure church management software will allow the church to track visitors, on site check-in/ check out, manage events, manage volunteer teams and a whole lot more... all in real time.

Fellowship One Church Management Software
\$1000

Aluminum Lectern

This would help to finalize the look of our Sunday morning worship services as it would replace the music stand we currently use as a lectern.

Silver Aluminum Curved Truss Lectern
\$1100

Hazer

Adding a hazer to our lighting system will allow us to add more theatrical lighting environments. A mist allows the light beams to show up more and amplify the lighting system

Chauvet HZ 1000 Ultimate DMX Hazer
\$200

Stage Scrim

This curtain-like stretchable material will allow us to enhance the worship atmosphere. It reflects light as acts as a material suitable to display images on.

15'2" High x 30' Wide Chameleon™
\$450

Kidstown Needs

Armada Fair Booth

In 2007, we presented KidsTown to thousands of people at the Armada Fair. The fair is the largest county fair in Michigan and is the fair that residents in our demographic are most likely to attend.

This project includes booth rental, printed materials, balloons and helium, and other expenses associated with the fair.

\$1000

Romeo Peach Festival Parade

In 2007, KidsTown awed the crowds at the Children's Parade. We distributed 1,000 balloons in 8 minutes.

Help us make an even greater impact on our community in 2008 as we want to rent a massive blow-up of Bryant Man to walk down the streets of Romeo.

\$1000

Nursery Remodel

Help us freshen up our nursery. This area, for children birth-2 years old is our first environment for infants. We desire to stock this room with fresh paint, new toys, and cribs.

\$350

Toddler Room Remodel

Children 2-4 years old spend 2-3 hours per week in the toddler room. This revamping of this room will create a better learning environment.

\$350

KidsTown Remodel

In Fall 2006 we built KidsTown. It's time to add some newer buildings and make some upgrades to the originals. We also need to carpet the floors and add additional stage lighting.

\$750

Frozen Drink Slush Machine

This will allow us to turn juices and drinks into frozen treats for kids on a more regular basis.

**Slush Machine
\$500**

First Baptist Church of Romeo
